# **2020 ANNUAL REPORT**

---

## **MISSION**

**Safenet Services' mission is to create a safe, healthy and supportive environment for women and families healing from the consequences of domestic violence, sexual assault and stalking.**

**Oklahoma ranks number 3 nationally in domestic violence murders.**

**"This program, this place, and these people really do care. My life is now boundlessly hopeful and bright because of Safenet."**

**- Former Safenet Shelter Resident**

# LETTER FROM EXECUTIVE DIRECTOR

For those of you who do not know me. My name is Jody Reiss and I stepped into the position of Executive Director after a successful 30 years from Donna Grabow. I started on December 1st, 2020. During this transition, I could not help but wonder if Donna knew what she was stepping into all those years ago. If she knew the legacy she would be leaving, all the lives that would be touched in her time, and all the programs that would eventually be in place because of her vision. I wondered if she remembered the story of the first client to walk through the doors at Safenet? My best guess is she remembers more survivor victories than we could imagine, and many sleepless nights. However, I doubt she could have envisioned the impact she would be making in her tenure.

A little about me: I grew up in Claremore, graduated from Claremore High School, and stuck around to attend Rogers State University. At 21, I decided to move away and eventually landed in Germany. During my time away I knew Oklahoma was home and even more specific there were not many communities like Claremore, so I came back home to settle in. I've spent the last 5 years doing community level work at the local non-profit Volunteers for Youth. It was there that my passion for non-profit work began to grow, and I guess they say the rest is history.

Like many agencies, we had quite the year. As the pandemic continued into 2020, Safenet had to shift how our services were delivered. Our staff rose to the occasion, as they remained on the frontlines assisting those in their time of need. The commitment and resiliency of the staff is something to be proud of.

In a year unlike any other, we cancelled events and shifted some to virtual options. We have missed the interaction with our volunteers and donors, but many have remained faithful to Safenet by providing time and resources. For this we are forever grateful. We could not do all we do without the support of our Donors, Volunteers, and Board of Directors.

Here is to a bright future!

Be well,

Jody Reiss,  
Executive Director

## **BOARD OF DIRECTORS**

# REFLECTING ON 2020 FROM BOARD CHAIR

Reflecting on 2020, flexibility and perseverance are words that immediately come to mind.

Navigating significant funding cuts, leadership changes and the continued COVID-19 pandemic challenged the organization. I am very proud of our Safenet Services team for being flexible and remaining committed to the victims and communities we serve.

Safenet Services would not be where it is today without the strong leadership of our founding Executive Director, Donna Grabow. Donna gave thirty years of her life to building Safenet from just an idea to a multi-service shelter with 35 beds. In 2020, we wished Donna well in her retirement. I know that the community, staff, Board and Advisory Council shares in my gratitude for her many years of contributions to Rogers and Mayes counties.

In late December, we were excited to welcome new Executive Director, Jody Reiss. Jody embodies the mission of Safenet Services. She brings a variety of strengths and talents to the organization as an established community member. Jody is also known for her collaborative leadership skills and empowering others. She will carry on Donna's legacy with integrity and passion.

Strategic goals for 2021 and beyond include a focus on diversification of funding sources and ensuring our services meet the needs of Rogers & Mayes counties. We are counting on the continued support of the communities we serve as we move into this next chapter of the organization. Together we can build healthy families by educating our youth and providing support for those healing from the consequences of domestic violence, sexual assault and stalking.

Sincerely,

Brandi L. Doty  
Board Chair

# SERVICES

- Domestic Violence, Sexual Assault and Stalking Victim Shelter
- Counseling
- Children's Counseling
- Support Groups
- Parenting Classes
- Advocacy
- Empowerment Program
- Court Victim Advocacy
- Protective Order Office
